Honorable Judge Reggie,

I am writing in regards to my son
Derrick Reese 09661-023 (El Reno, OK).
You were his judge back in 2002, I
believe. Our situation is desperate.
Derrick needs a public defender. We
have no money to hire an attorney.
We are trying to appeal Derrick's case.
We've been trying for three + a half
years. We are hoping that you can
help us by appointing a public
defender or at least point us in the
right direction to get one appointed.
We truly appreciate your time and
effort in this matter.

Sincerely

Cheryl Maxfield
